PRODUCT INFORMATION

APPLICATION

Used to form a bulkhead for cable wall and ceiling penetration against the effects of fire for a period of 90 minutes in accordance with DIN 4102-9 (fire resistance class S90).

Article No.	Bulkhead	Application	Info
1300 470	Fire protection plug BDS	For provision of a round S90 bulkhead in ceilings and walls in accordance with DIN 4102-9 problem free installation	Packaging comprises 20 pieces For bore holes up to 65 mm Dry and dust-free assembly,
1300 471	Fire protection plug BDS	For provision of a round S90 bulkhead in ceilings and walls in accordance with DIN 4102-9 problem free installation	Packaging comprises 20 pieces For bore holes up to 78 mm Dry and dust-free assembly,
1300 472	Fire protection plug BDS	For provision of a round S90 bulkhead in ceilings and walls in accordance with DIN 4102-9 problem free installation	Packaging comprises 20 pieces For bore holes up to 108 mm dry and dust-free assembly,
1300 473	Fire protection plug BDS	For provision of a round S90 bulkhead in ceilings and walls in accordance with DIN 4102-9 problem free installation	Packaging comprises 20 pieces For bore holes up to 123 mm Dry and dust-free assembly,
1300 474	Fire protection plug BDS	For provision of a round S90 bulkhead in ceilings and walls in accordance with DIN 4102-9 problem free installation	Packaging comprises 20 pieces For bore holes up to 135 mm Dry and dust-free assembly,
1300 475	Fire protection plug BDS	For provision of a round S90 bulkhead in ceilings and walls in accordance with DIN 4102-9 problem free installation	Packaging comprises 20 pieces For bore holes up to 165 mm Dry and dust-free assembly,
1300 476	Fire protection plug BDS	For provision of a round S90 bulkhead in ceilings and walls in accordance with DIN 4102-9 problem free installation	Packaging comprises 20 pieces For bore holes up to 200 mm Dry and dust-free assembly,
1300 477	Fire protection block BDS-N (1K)	For closing gaps and spandrels and wall soffits	Set consists of 12 cartridges at 310 ml each, white
1300 478	Identification sign Fire protection plug Fire protection brick	For permanent identification of a cable bulkhead in accordance with DIN 4102-9	Set consists of 10 Identification signs
